Te Kaunihera o  
MANUKAU  
City Council

The Botany area was originally occupied by Nga Iwi, Te Wai o Hua, and later Aki Tai and Ngati Kahu. More recently Ngai Tai occupy this area. European settlement began in the 1850s with the farming of mainly oats, hay and wheat, but it was not until the late 1970s that residential housing spread into the area.

Reflecting the Community boundary changes for the 2004 local authority elections, Botany now includes the rapidly developing Highbrook Business Park, Greenmount East Tamaki industrial area, the Burswood, Huntington Park, Golflands, Meadowlands Shamrock Park and Dannemora residential neighbourhoods, Point View Drive and the Redoubt Hills ridge through to Mill Road to east and south and the Chapel Haven area at the southern end of the Community, as well as the Botany Downs shopping centre and Hub, together with the current Mission Heights, Flat Bush and 94 ha. Barry Curtis Park development, scheduled to accommodate a new town centre and 40,000 people.

Botany enjoys modern highway connections to both Manukau City (and through to Auckland International Airport) and to the Auckland CBD via both the South Eastern Arterial and the new Highbrook connection to the Southern Motorway. The multi million dollar Auckland Manukau Eastern Transport Initiative (AMETI) will upgrade the highway connection via Panmure, and may in future provide a light rail connection through from Manukau City centre.

People in Botany enjoy their high quality environment, with its exciting new growth and development and multicultural community. Botany's central location, close to all amenities, shopping, parks, good schools, including primary schools, Junior and Senior Colleges and High Schools, reserves, beaches and the countryside make it a great place for children to grow up in.
